

Community impact actions

There are different types of events you can organize to improve the atmosphere in your neighborhood or community. Here is a list of some initiative ideas you can organize for your community:

- Community meals;
- Hospitality;
- Cleaning a park or street;
- Distributing food and water to the homeless;
- Visiting people in a retirement home (to sing songs, read books, play with them, etc.);
- Visiting orphans;
- Organizing one of the initiatives from this guide;
- Organizing a festival or celebration for your community;
- ...

You can draw inspiration from examples of hospitality and community meals to organize your impactful action.
